RIVER HORROR AT LOCK 4 RESULTS IN TWO DEATHS

Boat Containing Three American Bridge Co. Employees Went Over Dam at Noon, Two Were Drowned, the Third Escaping a Watery Grave

Another river horror, fatal in its consequences, occured at Lock 4, at 11:55 today, when a boat in which three men employed on the Monessen-Charleroi bridge was carried over the dam, resulting in the drowning of Frank Campbell of Charleroi, and Ed. W. Harding of Cincinnati, Ohio.

D. C. Newkirk, also of Cincinnati, who was with them, barely escaped with his life, by jumping from the boat. He was carried over the dam, but after a terrible battle succeeded in pulling himself ashore. He was completely exhausted, and had to be carried to his boarding house. Owing to the extremely high stage of water, practically nothing can be done to recover the bodies of the victims. At 3 o'clock this afternoon they had not yet been found.

The men had started to row down the river to capture some logs that had escaped from their moorings, and when near the dam they lost the control of the boat. Newkirk jumped out, but the other two went over the dam with the boat. One of the victims was an excellent swimmer, but was caught in an eddy. A buoy was thrown to him, but the current forced it back, and he finally became exhausted and sank. Newkirk was able to swim, but with the aid of an eddy finally reached the shore.

The other man disappeared immediately. Every effort possible is being made to recover the bodies. Campbell leaves a wife and family in Charleroi.

School Board Will Investigate.

The Smithfield School Board will meet to take action on charges against F. R. [illegible], who was mixed up in the recent shooting of Miss Baker, at Greensburg. The House claims that he had nothing whatever to do with the cutting of Miss Baker, and was not drunk as set forth by the press. Much interest is manifested in the result of the investigation of the school board.

PACKED HOUSE LAST NIGHT.

"The Flaming Arrow" played to an almost packed house at the local theatre last evening. The play was an unusually good one and it is safe to say that there was not a person in the audience but what was more than pleased with the performance. Manager Shuster is putting forth every effort to secure nothing but the best attractions, with which to finish the season, and the patrons are promised some especially fine shows, from now on. One of these is booked for Friday night, when Bob Fitzsimmons will present his great success "A Fight For Love".

Entertainment a Great Success

The entertainment given under the auspices of the Y. P. S. C. E. at the Presbyterian church last evening was quite a success. The church was well filled and everyone was pleased with the efforts of the Dana trio, who proved themselves artists of rare ability. The affair was a financial as well as a social success and a neat sum was realized from the entertainment.

CAPITOL POOL PARLORS SOLD

Deal was Closed Yesterday Transferring That Popular Establishment to J. J. Buser of Mt. Pleasant.

The Capitol Billiard and pool parlors were sold yesterday, to J. J Buser, of Mt. Pleasant, the consideration being $7,000. The deal includes both the pool rooms and the bowling allies. Mr. Buser will take charge of his new business December 11. Both the bowling and pool tournaments will be continued. He contemplates many improvements, and will spend almost $1,000 in making the Capitol the finest billiard hall and bowling alley in the valley. Among other improvements he will have the place redecorated and a handsome leather upholstered bench running the entire length of the building, will take the place of the chairs in the pool room.

Mr. Buser comes to Monessen well recommended as a gentleman, and thorough business man, and that his new undertaking will prove a success, goes without saying.

Mr. Lebowitz has been one of Monessen's progressive business men almost since the town started. About six years ago he opened a pool room here, which he successfully conducted for three years, when he sold it, and went to McKeesport. He soon returned to Monessen, and opened the Capitol. The new venture was a success from the start, and through his obliging manner, giving every man fair treatment, he built up a fine trade. He takes this occasion to thank his many friends for their patronage in the past. Mr. Lebowitz has made no definite plans for the future, but expects to remain in Monessen and engage in other lines of business.

The Glass Palace.

A very large and enthusastic crowd attended the glass weavers, knitters, spinners and blowers in the Odbert building, last evening, and many ladies were in attendance. Many handsome ornaments were carried away, as each visitor received a beautiful present free. This company makes and gives away more fancy articles than any other troupe traveling, the glass dress and hat is a beautiful creation of art, and has to be seen to be appreciated. All this week, Odbert building, Donner and Sixth. Admission 10 cents.

HEROIC WORK REWARDED

Three Young Men of Dunbar Who Prevented a Disastrous Wreck Near Smithfield Remembered by B. & O. Officials.

The Baltimore & Ohio Railroad Company' furnished pleasant surprises for three young Dunbar men a few days ago. Several months ago Charles Bryser, Dick Wyland and a young man named McDaniels discovered a bridge on the Fairmont Division near Smithfield on fire. A fast passenger train was about due. The young men by heroic efforts got the fire checked and flagged the passenger train just in time. The bridge was partly destroyed, but had the young men not been present and worked as hard as they did a disastrous wreck might have occurred.

Last week the boys were each rewarded by a check for $25.00 from Baltimore. The railroad company had not intimated that they had taken notice of the boy's services. The railroad officials had noted the story in the newspapers, investigated it and took the means noted of expressing their appreciation.

LOST—On Schoonmaker avenue between Sixth and Oneida streets, $33 in bills. Finder will be rewarded if same is left at Independent office. 26 3t

AGED LADY MEETS DEATH ON TRACKS OF P. & L. E. R. R.

Miss Nancy McConnell a Wealthy Resident of Rostraver Township Was Struck and Killed by a Passenger Train Last Evening.

Miss Nancy McConnell, aged 70 years, of Rostraver township, was struck by a south bound P. & L. E. passenger train near Gibsonton, about six o'clock last evening and died an hour later. The unfortunate lady, who is one of the oldest citizens of Rostraver township, lives alone in the country a few miles from Gibsonton and was on her way to the home of A. L. Murdock, of Gibsonton, to pay a friendly visit.

It is supposed that in attempting to get out of the way of the on-coming train she failed to entirely clear the tracks and was struck by the pilot of the engine. A bruise on the face was the extent of her visible injuries. She was carried to the Murdock home, where she died an hour later.

Miss McConnell is said to be extremely wealthy. She was well known and highly respected throughout Rostraver township and was a member of the Rehobeth Presbyterian church. Following a short service at the Murdock home, the funeral services will be conducted at the Rehobeth church by Rev. Jamieson, of this city Friday at 2 p. m. Interment will be made in Belle Vernon cemetery.

DONEY MADE GOOD SHOWING

A large crowd saw the opening game of pool tournament at the capital pool parlors last evening. Ed. Doney was Mr. Lebowitz's opponent and he made an excellent showing against the "Pittsburg Kid," pocketing 60 balls to the Mr. Lebowitz's 100. Following the game the "Kid" gave an excellent exhibition of fancy shots. He also sprung some new ones on his admiring audience. He is certainly there with the cue. Thursday evening he will meet Luther Bolig and a good match is expected. The exhibitions will follow each match.

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had.

For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend

Where You See the Oldest Trees in the World

IMAGINE this if you can—3 square miles of forest, containing 3000 trees measuring over 300 feet in height and 50 feet around. When you consider that every one of these trees is as high as the ordinary city skyscraper of today, and that there are 3000 of them in this one forest, you have only a vague idea of the sight before you as you ride among them and look up among their branches Even these are larger than any trees near your home Expert estimate places the age of these trees at 8000 years. They were growing before the pyramids of Egypt were built The

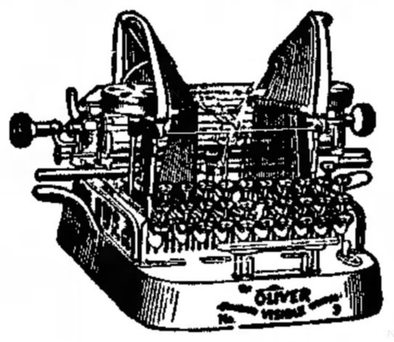
THIS TYPEWRITER DELIVERS THE GOODS

It's the Oliver—the Standard Visible Writer.

The Oliver Typewriter is just like an athlete stripped for a race.



It is free from unnecessary multiplicity of wires and springs

No net work of flimsy keys to get tied into hard knots

The nimble fingered stenographer can put talk into type with this machine just as rapidly as she takes your dictation.

For no matter how swiftly she writes, she can see just what she's doing

The keyboard is so wonderfully responsive to the touch of the finger tips that speed comes without effort.

The factors that make for speed are its visible writing, its light, elastic key-touch, and it's all 'round simplicity. It has the fewest possible wearing points, and it prints with a downward stroke.

The OLIVER Typewriter

THE STANDARD VISIBLE WRITER

is a flawless piece of mechanism, combining the strength of tested steel with the perfect adjustment of the works of a watch. You can use an Oliver a life time and the type will not lose alignment

It never suffers from nervous prostration; requires only a little oil and plenty of exercise to keep it at the highest point of efficiency.

The hum of Oliver Typewriters is heard in the most progressive business houses in the land. Sales increasing at a phenomenal rate. Get acquainted with the Oliver! Write for the Oliver book—we send it free with our compliments.

AT THE THEATRE

present Hal Reid's latest success "A Fight For Love" at the Monessen Opera House, Friday, November 23. The heart interest is furnished by the charming romance in the life of the hero and a touch of novelty is exhibited in the manner in which the plot is unfolded. Mr. Fitzsimmons plays "himself" true to nature and his work has proven first class. Three strong features are introduced incidental to the play—a most realistic scene being the village blacksmith shop, where in full view of the audience Mr. Fitzsimmons forges and makes a horse shoe, and when finished nails it to the hoof of a horse on the stage.

The great gymnasium scene shows "Bob" in his wonderful bag punching act which goes with rounds of applause especially among the ladies and children, at the finish a grand scientific three round glove contest is given between Mr. Fitzsimmons and his sparring partner, which creates a furore Manager J. C. Matthews has furnished the entire four acts with special scenery properties and electrical efforts for this season's tour.

The Store That's Always Busy

BIGGER Than Ever

THE QUALITY IS RIGHT AND THE PRICE IS RIGHT

WHY? By honest, fair and upright dealing our trade has increased so rapidly that in two years we have been compelled to increase our floor space from 4,400 to 11,000 square feet.

Day after day, in our store, customers remark that our stock of furniture is far above anything in the city in quality and that our prices are wonwonderfully low.

Goods that are cheap in quality should be cheap in price.

As for our stock we simply show the best the whole wide world produces, pricing legitimately and meeting our patrons more than half way in the matter of accommodations.

That's Why We've Grown.

Come in and take a look at our line of BED ROOM SUITS, and odd DRESSERS, in Mahogany, Bird's Eye Maple or Oak. We also call especial attention to our line of DINING ROOM SUITS, BUFFETS and SIDEBOARDS, in either Early English Weathered or Golden Oak. In quality, design, workmanship and finish they are unequaled. Get our prices on Davenports and Leather Rockers.

One of our Carpets or Room size Rugs will add a wonderful "newness" to that dining room for Thanksgiving. AND THAT'S NOT ALL. We carry the largest line of Builder's Hardware, Gas and Coal Ranges, Gas and Coal Heaters, Paints, Oils, Glass, Shelf Housefurnishing Goods, that is carried under one roof in the Monongahela Valley. And Now, If You Please, Let's Consider the Matter of Furs

WEATHER prophets, (not seers, but men who live close to nature and can read nature's signs), all over the country are predicting a long and a cold Winter.

That means that many furs will be sold, that choice furs will be scarcer, that prices will go higher.

Here are some examples of our present low prices:

$8.00 for Fancy Collars of gray squirrel—a number of pretty styles.

$5.00 for Fox Boas, either sable or isabella blend; one full skin; finished at ends with tails and claws.

$10.00 and $12.50 for Scarfs of Persian Lamb; throw tie style; lined with black satin.

$12.00 for sets of finest Persian Paw; long scarf and large pillow muff; beautifully matched.

$15.00 for Muffs of fine American Fox in sable or baum marten shades, beautifully marked. This is a $25.00 value.

$15.00 for Scarfs of fine Eastern Mink, made in the new two-animal effect with heads crossing, finished with tails and claws, $27.50 value.

$16.50 for large square pillow Muffs of dark Siberian Gray Squirrel, skins are matched in a new way coming together in center. This is a $30.00 value.

$25.00 for sets of Southern Mink, marked like Eastern Mink, large shaped pillow muff, long scarf.

$16.50 for sets of dark gray squirrel, long throw tie and large flat muff.

$35.00 for sets of fashionable black lynx—large shaped muff and long throw scarf—lined in black silk.
